Students Participation

Number of students who submitted materials to be considered for Illinois Global Scholar Recognition:	
Number of students who received a score of “pass” and will receive Illinois Global Scholar Recognition:	

Globally-Focused Coursework

Courses designated as globally focused must (1) investigate the world (2) recognize the perspectives of self and others, (3) communicate ideas to diverse audiences; and (4) provide opportunities to take action to improve conditions. Such courses must also address world issues, perspectives, concerns or culture throughout the duration of the course. **List all course that school district’s Global Scholar Committee has determined to be “globally-focused” according to the parameters defined [Volume 41, Issue 16 of the 2017 Illinois Register Rules of Government Agencies](#).**

--

Administration and Monitoring of the IGS Capstone Performance-based Assessment

Briefly describe the method used by schools to administer and monitor the Global Scholar Capstone Performance-based Assessment. In accordance with [Volume 41, Issue 16 of the 2017 Illinois Register Rules of Government Agencies](#), this description must explain how the Capstone Performance-based Assessment was supervised and the context (e.g. as an independent study course, as a stand-alone capstone course, as part of an academic course, as part of a student club, etc.).

Required Attachments

1. Copies of promotional materials used to inform students of the Illinois Global Scholar Certificate program and its requirements.
2. Results of any surveys given to students or educators to assess any aspect of the Illinois Global Scholar Certificate program.
